WWW.XCLUSIVESALMAN.COM | WWW.OPERATIONREVOLUTION.COM

01 | PRIMARY OBSESSION

Having several years of industry experience in Multimedia Design, I am obsessed working for a company dedicated to pushing the creative boundaries of design and technology to deliver high impact rich media Enterprise Solutions.

02 | PROVEN APTITUDE

With an exceptional reputation in Interface Designing I am offering an array of design and development services including interactive design, motion graphics, custom audio and corporate identity. Considered by many, my Website and Application interface designs are frequently noted for the strong aesthetic they portray while offering a robust architectural support for business logic developers.

03 | VISION STATEMENT

A driving force behind my success is my vision to keep expanding and pushing my creative performance boundaries and to be recognized as one of the most cutting-edge design individual.
